Dear Mr. Allady:

Miami Dade County Small Business Development (SBD), a division of the Internal Services Department (ISD) has completed the review of your application and attachments submitted for certification. Your firm is officially certified as a Miami Dade County Community Business Enterprise (CBE) in accordance with section 2-10.4.01 of the code of Miami Dade County.

This CBE certification is valid for three years provided that you submit a "Continuing Eligibility Affidavit" on or before your anniversary date of November 17 for the first and second year of the three year period. The affidavit must indicate any changes or no changes in your firm pertinent to your certification eligibility. The submittal of a "Continuing Eligibility Affidavit" annually with specific supporting documents on or before your Anniversary Date is required to maintain the three year certification. You will be notified of this responsibility in advance of the Anniversary Date. Failure to comply with the said responsibilities may result in immediate action to decertify the firm. Pursuant to the applicable section of the code as listed above, "once your firm has been decertified, your firm shall not be eligible to re-apply for certification for twelve (12) months from the time of the decertification."

If, at any time, there is a material change in the firm, including, but not limited to, ownership, officers, director, scope of work being performed, daily operations, affiliation(s) with other businesses or the physical location of the firm, you must notify this office, in writing, within (30) days. Notification should include supporting documentation. You will receive timely instructions from this office as to how you should proceed, if necessary. This letter will be the only approval notification issued for the duration of your firm's three years certification. If the firm attains graduation or becomes ineligible during the three year certification period you will be properly notified following an administrative process that your firm's certification has been removed pursuant to the code.

Your company is certified in the categories as listed below affording you the opportunity to bid and participate on contracts with goals.
